

Colgate School Newsletter

July 2019

Dear Parents and Carers,

We've had another great year here at Colgate. All of our end of year results are in and I'm pleased to say that our outcomes in Year 6 were above national outcomes. We also saw really strong results in Year 2 and in Year R. This information is all on the school website if you'd like further details. School is so much more than just tests though and what a year it has been with so many positive experiences for the children; residential trips, athlete visits, author visits, school productions, instruments learned, creative arts week and many more visits and memories for the children and staff.

Thanks to everyone from the PFC who helped set up the Summer fair in the persistent rain on Friday! Despite the weather, we had a really good turnout and to date, the PFC have now raised just over £2000 to support the school. As ever, we are so grateful for this income while finances are tight.

As we say goodbye to our year 6 children, I'd like to thank you as parents and carers for your support during their time at Colgate. We will be very sad to say goodbye to you and your children but look forward to seeing you at the Leavers assembly tomorrow at 2pm. We will also be saying goodbye to Mr Hird tomorrow. It's going to be a tough goodbye for all of us as he has brought so much to the school during his time here and will be hugely missed.

Have a really great summer break and we will see you in September ready for another exciting year.

Kind regards,

Mrs. Rebecca Winn
