

Dear Parents and Carers,

I hope you all have had a lovely break, the following guide contains information as to what we will be learning this term.

Our theme this term is 'A life a million miles away from home?' all of our learning is linked to this theme.

Our trips this term are our visit to Cottesmore and our residential to Dalesdown, kit lists and further information will be sent out closer to the time.

If you have any questions, please don't hesitate to message on seesaw.

Laura Jervis

### Science

We are going to be learning about plants, living things and their habitats.

### English

We are going to be studying the book 'The Explorer'. This will form the theme of our English lessons. Year four will be studying the book 'The Explorer'.

### RE

In RE our two enquiry questions are...

Do beliefs in Karma, Samsara and Moksha help Hindus lead good lives?

How important is it for Jewish people to do what god asks them to do?

## Summer 2025

A life a millions miles away from home...

### Geography

We will be completing a fieldwork Enquiry Unit. We will also be learning about biomes & vegetation belts and Brazil and the Amazon.

### French

We will be looking at healthy living and how to have conversations about pets.

### Art

We will be looking at the artist Henri Rousseau. We will create our own printing art showing 'life a million miles away from home'.

### PSHE

We will be learning about, careers, economic well-being, being safe and healthy eating.

### DT

We will be creating our own electrical circuits.

### Maths

We will be covering statistics, shape, volume, measurement and revising the four operations and problem solving.

### Computing

We will be covering, branching databases, animation and text based programming.

### PE

We will be learning and developing our tennis skills, we will then move on to athletics and rounders.

### Music

Our music learning this term will link with our Geography learning. Our music theme will be 'South America'.
