## December 2020

Dear Parents and Carers,

It has been a long but really productive term. This is the longest of the school year—your children have worked incredibly hard for 14 weeks and we are very proud of the progress they've made. Thank you for your support with all the changes we've had to make. Although it has been a different routine for you as parents and carers, the children have worked hard and dealt with their handwashing, sanitising and distancing in a really sensible way. It is definitely strange not to see you all more often!

We can only assume that we will be working with the same systems in the new year but really hope that the end to this period is on its way. If the Department for Education inform us of any changes, we will of course let you know directly.

I hope you've been able to enjoy your children's class assemblies and any other performances through Tapestry or Seesaw. Although there isn't the chance to be here in person this term, there is definitely a very Christmassy feel in school—the children are excited!

Although it's not been the year we expected, the children have kept their spirits up and worked very hard in school. I hope that you will all be able to have some special family time ahead and we will look forward to welcoming everyone back on Monday January 4th.

Merry Christmas and here's to a hopeful 2021.

Kind regards,

Mrs Winn
